

WEB DEV HTML and CSS CA

Instructions:

1. This assessment consists of two parts: Part A (HTML) and Part B (CSS).
2. You have 1 hour and 30 minutes to complete both parts of the assessment.
3. Save your files in a folder named "[YOURMIDDLENAME]_CA_HTML_CSS" and submit the folder to your instructor.
4. Use appropriate HTML tags and CSS properties to complete the tasks.

Part A: HTML (45 minutes)

Create an HTML file named "index.html" and complete the following tasks:

1. Write out the basic structure of the webpage on a piece of paper
2. Create a header with the title "My Website".
3. Add a navigation menu with links to the following pages: Home, About Us, Services, and Contact Us.
4. Create a section with the heading "About Us".
5. Inside the "About Us" section, create a paragraph with the text "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Pellentesque vel euismod nulla. Fusce non diam non diam sodales eleifend."
6. Create a section with the heading "Services".
7. Inside the "Services" section, create a list of at least three services that your company offers.
8. Create a section with the heading "Contact Us".
9. Inside the "Contact Us" section, create a form that includes the following fields: Name, Email, Phone Number, and Message.
10. Make sure that the navigation bar takes one to the various sections on the page using ids and the anchor tag values appropriately

Part B: CSS (45 minutes)

1. Create a CSS file named "styles.css" and link it to your "index.html" file.
2. Set the background colour of the page to light grey.
3. Set the font family of the page to "Arial, sans-serif".
4. Set the font size of the header to 36px and the colour to dark blue.
5. Style the navigation menu so that it appears horizontally across the top of the page.

6. Set the font size of the links in the navigation menu to 24px and the colour to black.
7. Set the font size of the "About Us" and "Services" section headings to 28px and the colour to dark blue.
8. Set the font size of the paragraph inside the "About Us" section to 18px and the colour to black.
9. Style the list inside the "Services" section so that it appears as a horizontal row of items.
10. Set the font size of the form fields inside the "Contact Us" section to 16px and the colour to black.

Good Luck!
